Product Summary

One of my all-time favorite paintings, I painted this vintage camper trailer watercolor and reproduce it on a variety of products. The [original watercolor](#) is still available for sale too.

Product Description

One of my all-time favorite paintings, I painted this vintage camper trailer watercolor and reproduce it on a variety of products. The [original watercolor](#) is still available for sale too.

Style: Case-Mate Barely There Samsung Galaxy S6 Case

The Case-Mate Barely There Samsung Galaxy S6 Case is an impact resistant plastic

case that protects the back and sides of your phone and shows off the slim profile of your S6. Printed to the edge with your custom photos, art, and text, this glossy finish case features easy access to all ports, sensors, cameras, and controls.

- Dimensions: 5.31" x 2.863" x 0.375".
- Designed for the Samsung Galaxy S6. (Fits all U.S. and international models)
- Lay-flat bezel protects the screen from directly contacting surfaces.
- Access to all ports, controls & sensors.
- Glossy finish.
- Printed in the USA.
